

India Group

"The service is second to none in terms of knowledge, expertise, practical commercial advice and quick turnaround times" - Chambers and Partners, 2009

Taylor Wessing India Group

India has one of the fastest growing economies in the world and is increasingly regarded as an important market for many established clients of Taylor Wessing.

We assist with outbound investment from Indian companies looking to expand into Europe and beyond, as well as providing practical legal advice to European and International clients looking to enter the buoyant Indian market.

Taylor Wessing has a long history of experience in dealing with all sections of Indian industry. Our team of lawyers have not only worked in private practice but also as in-house counsel for major multi-nationals and various utilities conglomerates.

International Network

Taylor Wessing is a truly international law firm with 12 offices across Europe, the Middle East and China. In addition, we have developed close relationships with leading firms in all major jurisdictions, including North America, India, and the rest of Europe. However, our clients will always have one point of contact for such work within Taylor Wessing.

Key members of our India Group regularly travel to the country and have developed strong relationships with several key firms in India. Our combination of in-depth sector knowledge, experience, and our ability to offer the full range of the relevant legal services within the key European jurisdictions of the UK, France and Germany, as well as our ability to co-ordinate the work of lawyers in India distinguishes us from others.

Indian Focus

Taylor Wessing is a full service law firm and is recognised as a leading firm in the core areas of Corporate, Technology Media & Telecoms, Intellectual Property, and Real Estate. The India Group has identified four key sectors on which to focus our India activities. This has enabled us to identify key areas of growth and future potential, current developments, key industry players as well as major challenges facing each industry.

- Automotive
- Technology
- Hotels
- Financial Institutions

Our India Group is comprised of highly skilled lawyers from across our practice groups ensuring that we are able to service our clients effectively, providing the highest quality service.
