

## Projects

For many years we have acted for sponsors, developers, contractors, government agencies and finance providers on domestic and international infrastructure projects and project financings.

Taylor Wessing LLP has a dedicated projects group which pools the know how and experience gained over a number of years in various industry sectors, in order to provide an integrated service to clients involved in domestic and international projects.

Our lawyers have extensive expertise across many sectors, including energy, healthcare, telecoms, transportation, waste/water and PFI/PPP sectors. The group includes lawyers with corporate, commercial and finance backgrounds and offers team members with broad transaction experience embracing project development, finance, PFI/PPP, M&A, consortium arrangements, tendering and procurement and contentious and non-contentious construction and engineering.

### Expertise

We offer expertise in:

- tendering processes
- public procurement
- risk analysis and allocation
- development and joint venture/consortium arrangements
- green field project development and environmental issues
- planning and property issues
- domestic and EU regulatory framework
- tax
- concession based structures
- construction, engineering, operating agreements and other contractual issues
- financing and security structures
- dispute resolution
- technology use and protection
- acquisition and disposal of project interests
- insurance
- transfer of undertaking and other employment issues
